What Is It?

Global Contractor Guardian™ is a wireless security system that provides security capabilities and remote activation around the world. Global Contractor Guardian™ monitors for illegal entry, smoke, GPS coordinates and low battery voltage.

Global Contractor Guardian Package

Features

Global Contractor Guardian™ unit will connect to our secure server and immediately begin monitoring your Jobsite.

Global Contractor Guardian™ is completely customizable, upgradeable and transferable.

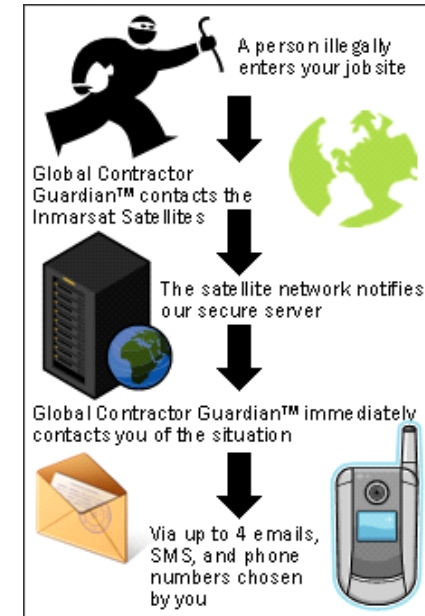

Choices and simplicity are what life and Guardian Systems, LLC. are all about.

How It Works

Simply install your Global Contractor Guardian™ and log on to the Internet to monitor your Jobsite. If a problem occurs, Global Contractor Guardian™ will notify you immediately. Global Contractor Guardian™ technology will allow you to correct any situation before significant damage or theft occurs.

The Global Contractor Guardian™ network provides coverage globally, guarding and monitoring your property continuously.
