## What Is It?

Global RV Guardian® is a wireless security system that provides security capabilities and remote activation globally. Global RV Guardian® monitors for illegal entry, smoke, GPS coordinates and low battery voltage.

## Features

The Global RV Guardian® unit will connect to our secure server and immediately begin monitoring your RV.

Global RV Guardian® is completely customizable, upgradeable and transferable.

Choices and simplicity are what life and Guardian Systems, LLC. are all about.

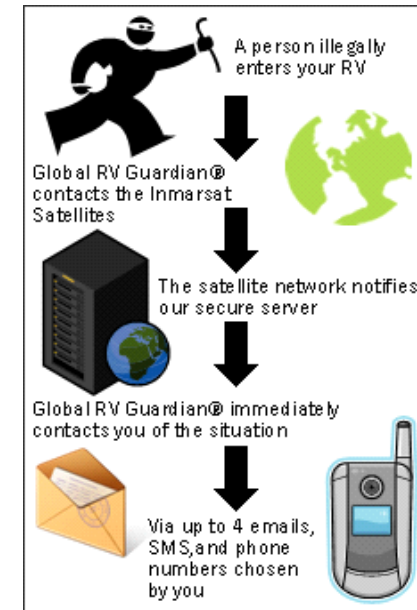

## How It Works

Simply install your Global RV Guardian® and log on to the Internet to monitor your RV.

If a problem occurs Global RV Guardian® will notify you immediately. The Global RV Guardian® technology will allow you to correct any situation before significant damage or theft occurs.

The Global RV Guardian® network provides coverage, globally. Where ever you are, Global RV Guardian® is there to guard and monitor your property, continuously.
